FUEL CARD POLICY

I. PURPOSE

This policy governs the rules, guidance and procedures for the use of Fuel Fleet Cards and appropriate disciplinary actions for the misuse thereof.

II. INTRODUCTION

The Fleet Card program offers authorized users for the purchase of fuel, related items and services approved by management that are necessary for efficient and cost-effective operation.

It also includes a reporting function that helps track vehicle usage and costs. The Accounting Department collects and utilizes this information in order to ensure the effective and efficient utilization of company vehicles.

III. FLEET CARD POLICY

A. Acceptable Card Uses

Fleet Cards shall facilitate the payment of the following at authorised fleet petrol station and service centres.

1. Petrol or diesel
2. Oil if necessary (for company vehicles)

B. Procedures

The following procedures are required and will be adhered to when using the card.

1. The employee contract must be signed which stipulates that “Employees are required to comply with the Employer’s Disciplinary Code and Procedure and Grievance Procedure, as well as all other rules, policies and procedures that may be introduced from time to time. Copies of these documents are available on request.”
2. If a case of emergency arises requiring the employee to use the card for purchase of fuel for non-operation transactions, the employee shall contact their line manager, or the managing director and the latter shall also notify the Accounting Department. The employee is not to use the card until such request has been authorised.
3. Purchase of fuel shall be bound on the limits and product/services restriction assigned to each fleet card by management.
4. When using the card at a petrol station, the employee shall:
 - Request a transaction slip
 - Sign and write the card user’s name on the transaction slip
 - Employee’s signature on the transaction slip shall mean that the information indicated thereto is true and correct.
 - Submit the transaction slip/ receipt onto DEXT while parked at the service centre.
 - Should the employees DEXT application not be working for whatever valid reason, the employee is responsible to send a photo of the receipt via email to the finance department.
5. If an employee loses a transaction slip, the finance department should be notified within 48 hours of the happening. There may be cost implications for the employee if the fuel/ money is not accounted for.
6. Once a month, the card statement will be reconciled by the accounts department.
7. If the statement is not reconciled, the authorised accounting personnel shall notify the responsible authorising department or employee for resolution or explanation for discrepancies. If not reconciled internally and a suspicion of fraud is seen, the authorised accounting personnel shall notify the managing director.
8. The card is never to be used for personal purchases unless authorised by management.

9. The management team, may, at their discretion terminate the privileges at any time due to misuse, abuse, etc.
10. The employee undertakes to implement the use of the tracking device. If this is not adhered to, the company shall not be liable for the provision of fuel allowance.

C. Cancellation and Replacement of Fleet Fuel Cards

Users of the card shall immediately notify the Finance Department and their line manager in writing as well as telephonically in cases of damage or lost. The written notification shall include a reason to request for replacement, corresponding vehicle plate number, name and signature of the requestor and the authorised department administrator of the fleet card if applicable.

Authorised personnel shall request a replacement in writing to the fleet card provider noted by the Managing Director/ Owner.

D. Sanctions

Any misuse of the card will result in reasonable disciplinary actions that may include a combination of the following:

- Termination of Employment
- Payroll deductions of any unauthorised purchases and of any administrative costs associated with any unauthorised purchase.
- Limitation on the use of the card and/or termination of the right to use the card at any time with or without cause.
- Other disciplinary actions as authorised by management.

IV. MONITORING

The Finance department shall quarterly monitor and evaluate the implementation of this policy. Revisions shall be made when the need arises and subject for the Managing Director/ Owner's approval.

EMPLOYEE ACCEPTANCE STATEMENT

1. I have been issued a Fuel Fleet Card, which authorises me to fuel vehicles only for the use of iRam business.
2. I understand that the Fuel Fleet Card is not to be used for personal vehicles or non-business purposes. Using the card for any purpose other than official business without authorisation from management will be considered theft of company property.
3. I understand that every time I use the issued Fuel/Fleet Card, I am required to completely fill the transaction slip with accurate odometer reading (only applicable to fleet cards), driver's name and signature. This will allow the company to monitor fuel usage. My failure to do this may result in disciplinary action.
4. I understand that should I not upload the receipt onto DEXT or send the finance department a photo of the receipt, that there may be financial implications as I may be responsible for the cost of the transaction.
5. I understand that the Fuel Fleet Card to be used is bound to the limits in terms of product restriction and services assigned by the company. In cases additional purchase of fuel becomes a necessity and the credit limit has been exhausted prior to the replenishment, I understand that a written justification is a prerequisite for approval by management.
6. I understand that I am responsible for the execution of conditions set in using the Fuel Fleet Card issued/assigned to me during the course of my employment with iRam.
